Frost Proof CABBAGE PLANTS

Weirwood, Va., January 15, 1923.

Dear Sir:

I have open field grown Frost Proof Cabbage Plants and can take care of your orders from now on. Do not wait until you want the plants. Let orders come and name shipping date.

Charleston Wakefield	500 plants - - \$1.00
Earley Jersey	1,000 plants - \$2.00
Wakefield	5 M. to 10 M. \$1.75 M.
	10 M. to 50 M. \$1.50 M.
All Head Early	Ask for prices on larger lots.
Succession	

By express or freight, f. o. b. Weirwood, Va.

If by parcel post add 25 cents for lots of 500 or 1,000; larger lots 25 cents per M.

Terms: Cash With Order.

These plants are grown from the best seed I could buy of I. N. Simon & Son, of Philadelphia. Will run nice medium size; well rooted; not over large this season but of right size. Plants grown here in Virginia better for your climate and will do better than Southern plants.

No more Copenhagen market. Need not ask for them. They have given me great trouble in past few years. They go to seed and I can't help it. The varieties I offer will not run to seed and are dependable.

Few Big Boston lettuce plants: 100 for 50 cents; 500 for \$2; for 1,000 and over \$3 per M. while they last.

Virginia second crop Irish Cobbler potato seed. I can furnish a limited quantity. If interested ask for prices and say how many you want.

Yours truly,

J. B. Savage
